WHITE HOUSE HUEY

The Army Huey UH-1B tail number 92-1920 on exhibit at Wings of Freedom Aviation Museum operated by the Delaware Valley Historical Aircraft Association, 1155 Easton Road, Horsham, has a notorious history. On the night of February 17th, 1974 20 year old private first class Preston with 157 hours helicopter flight experience, but having no pilot's certificate, stole a National Guard Bell UH-1B Huey helicopter from Fort Meade's Tipton Field and began a wild ride to and around Washington DC. He landed on the White House lawn, took off, flew around, and again landed back on the White House South Lawn. Multiple shotgun and automatic weapon shots were fired by secret service personnel at the helicopter with minimal damage being inflicted to the helicopter. Private Preston was wounded slightly in the foot by shotgun pellets and taken into captivity. Upon being Court Martialed, he served time and was given a General Discharge. The helicopter was transferred to Willow Grove Army Reserves to be used for training and was later turned over to the Willow Grove Joint Base Wings of Freedom Aviation Museum operated by the Delaware Valley Historical Aircraft Association where it is now on exhibit.

ANNUAL LITTLE LEAGUE PARADE

The annual West Norriton Little League parade was held on 22 April 2017 from the school across from the anchor memorial to the ball field on Burnside Avenue. While a damp day, the major part of the rain held off until after the ball field ceremonies. None of the Legion members marched this year, but instead rode in our decorated vehicles. It appears that age is starting to show up on our members.

AMERICAN FLAG RETIREMENT CEREMONY

A flag retirement ceremony was held at Montgomery Cemetery on the evening of 22 April 2017 with both boy and girl scouts from the Philadelphia, Norristown and Schwenksville area who camped out on Friday and Saturday evenings. Commander Bob Clamper, Austin McGuire and Bob Wagner were present from the Post and Chaplain Austin McGuire gave the opening ceremonial prayer. Fire company members supervised and assisted in the burning of flags. The scouts lined up and took their turns throwing the worn flags into the fire and giving the flags a lasting farewell salute. Each scout was then presented a Flag Burning patch and a Montgomery County Cemetery embroidered patch. During daytime hours, the scouts spent their time cutting down brush and cleaning up the cemetery.

POLICE & ARMED SERVICES MEMORIAL

The Montgomery County Police Officers Memorial Ceremony was held on 5 May, 2017 at the Norristown Court House. Because of the rainy weather the ceremony was not held at the memorial situated on Main Street, but rather inside the court house in Court Room A. The ceremony is dedicated to the police officers in Montgomery County who lost their lives in the line of duty and the Armed Services. The colors were posted, national anthem sung and many speakers gave their testimonials for fallen police and Armed Service personnel. Flowers were laid at the wreaths by police representing townships in Montgomery County for police officers who were killed in the line of duty. A bell was tolled as each of the 28 fallen police officer's name was called out. Austin McGuire and Bob Wagner had the honor of presenting the flowers for deceased service personnel.

AMERICAN FLAG PLACEMENT

On 18 May members of the Post shown, placed flags on Veterans graves on 4 different cemeteries. Fortunately we had a sunny day and a good turnout of Post members, so the Task of placing the flags went very well. After each flag is placed a salute is given to honor the deceased veteran.

MONTGOMERY COUNTY HONOR GUARD AT EINSTEIN HOSPITAL

A dedication ceremony was held at Einstein Hospital where pillows were handed out to the veterans for Memorial Day. The pillows were similar to the small pillows that are used after surgery and hugged to ease pain when there is a need to cough.

AMERICAN LEGION SCHOOL AWARDS

Each year our Post presents scholastic awards to students at numerous schools. Joe Patti has the responsibility of contacting representatives at the various schools for the purpose of receiving recommendations for which students should receive the awards. At the Upper Merion High School our Post has a Memorial plaque near the entrance to the auditorium which has a sculptured bust of Parker's son. He was a 1957 graduate of the High School who was killed in action during the Vietnam War and now is part of our Post's namesake. In recognition of this, we present a \$100 check to one boy and one girl at the school each year. At other schools as listed below, we present a \$40 and \$20 check along with their document, to each 1st and 2nd place scholastic awards recipient respectively.
